ABOUT ME I like being out in the sea, the peace and tranquility is what draws me to it. So naturally, I enjoy sailing. Whenever I return from an overseas training or competition, I will take a ride out on my bicycle. One day, I would like to cycle in France – that would be one item off my bucket list.

THE STRAITS TIMES.

Singapore continues to build on its SEA Games sailing legacy by clinching 5 Gold, 2 Silver and 5 Bronze medals at the 27th edition held in Ngwe Saung, Myanmar.

Following a week of competition at the brand new sailing facility built in Ngwe Saung beach which saw a range of sailing conditions, ranging from 20 knot, big seas conditions to light, calm days, the Singapore team sailed consistently to clinch medals in all but one event.
